Buried Treasures Home Clark and Valerie Rumfelt, Directors

NEWSLETTER for December 7, 2016

Dear Friends,

We are celebrating all of the "new" things God is doing at Buried Treasures Home!

- There are now six NEWcomers in residence. Please pray daily for Christina, Ashley P., Ashley J., Teresa, Laura and Misty. You and BTH are privileged to impact not only these ladies, but their children and families as well. Pray for Brandy and Rose Mary as they continue in their roles as team leaders.
- The NEW cottage is almost ready. Wynndale Baptist Church is constructing it and many teams of volunteers have participated. Brandy and Rosemary will move into the cottage in January as we welcome two NEW ladies to the program in January and February. Pray for Kelly and Renee.
- All of our prayers have been answered for a NEW van. BTH now owns a brand new 15-passenger van! It is paid for in full and we give God the glory. Watch for pictures on Facebook.
- There is a NEW follower of Jesus at BTH. One of the new ladies made her decision to become a Christian last week. She will be baptized soon. Pray for her and ask God to manifest His power in her life quickly and decisively.
- Along with the many classes taught by dedicated volunteers, we have begun a NEW semester of Celebrate Recovery. Pray that God will help everyone move out of denial and the past into a beautiful NEW future in Christ, especially in the NEW year.
- The NEW year means most of the ladies here will begin school or work. Pray that God will thwart the efforts of the enemy to derail these women as they begin their walk on God's path outside of BTH. Also, remember to pray for those who graduated last year – some are struggling.

We had a wonderful time at Thanksgiving and we look forward to Christmas. The decorations are up and please pray

that spirits can also be kept up – some won't be able to see family for various reasons and this is particularly painful. Ask God to comfort hearts and bring peace to these lives – as we celebrate the Prince of Peace.

Plan to come see us for a Monday night meal or just to see the NEW things here. We would love for you to come and prayerwalk this campus. We love all of you very much and pray God's blessings and power for you and your families this Christmas! Clark and Valerie Rumfelt and the BTH Ladies
