

BURIED TREASURES HOME 2021 YEAR END UPDATE

We pray this year-end update finds you all well and blessed. I know we sure are at Buried Treasures Home. At this moment we have 8 ladies and are very blessed with our group! The ladies are growing together as a family and in their walk with Christ.

We want to take this time to thank you all, each individual, church, and corporation for your faithful support to this ministry through your prayers, time and resources. Without you we truly would not be able to fulfill our God-given call to each lady who steps foot on these grounds.

That being said, we would be remiss if we did not let you know our needs. We are blessed to continue to have Mission First Medical and dental clinic to support all of our ladies medical and general dental needs. And we are blessed by a local Optometrists office that continues to take care of eye exams for the ladies! Thank you all for your ministry! However at this time we no longer have a dentist who is willing to support the need for partials and or dentures. This cost could range from \$500-\$5000 depending on the amount of work each lady might need. We had 4 ladies needing sponsors, two (2) of them have recently received sponsors (THANK YOU each one who stepped up) and we have two (2) ladies remaining.

Please pray about your part in this need.

As most of you know in the past we have been blessed greatly by the ministry "Little Feet" at First Baptist Jackson. In the past two years, since COVID hit, we have not received these funds and it has caused a strain on the ministry. ***Would you please consider a generous year-end donation to help these funds be replenished?***

In case you were unaware, there are some helpful business foundations in place that help this ministry year-round: Because Buried Treasures Home is a 501c3 we can accept funds from birthday Fund raisers on platforms such as **Facebook**. **Kroger** and **Amazon Smile** have accounts set up where you can choose a percentage of your purchases to go to Buried Treasures Home. ***We have those who participate in all or some of these and we thank you for this.*** If you are one who never has, please pray and ask the LORD if He would have you participate in one of these avenues of support.

Our ladies have participated in several ministry opportunities recently and each one loved being able to give back to others. Pictures are on the next page. The LORD has also begun to call others (current residents) to step up and begin training as possible Team Leaders. Please pray for them as they seek God's will in their possible future with us.

We have had several ladies come through this program this year, and we thank the LORD for each one of them and pray for them, whether they stayed or not. We do have several who fulfilled their commitment they signed. Our graduates this year have been Kara and Holly! Congratulations ladies!!!! Taja and Deborah completed the program, but chose not to graduate. We continue to pray for you both on your life-journey. We pray ***God-speed*** to ALL of you! We have included a few pictures of these ladies as well as others on the following page.

On a sad note, Rosemary, our team leader will be leaving us in March. Please pray for her as she begins her new life-journey! Thank you Rosemary for all you have done for Buried Treasures Home! You will be greatly missed!

We love each of you and pray for you all!
MERRY CHRISTMAS AND A HAPPY NEW YEAR!

Your Buried Treasures Home Staff, Bro Phillip, Karen & Rosemary

Taja- The day she left BTH
