*Healing women helping hurting women heal*

Buried Treasures Home is a ministry for women that is focused on **transition** from prison and/or addiction; **transformation** of mind, body and spirit; and **trusting** God, self and others.

The co-founder Dick Benz of BTH requested us to create Christmas wreaths from the cuttings of our muscadine vines, for our volunteers and a very special one for his wife Nikki, the Founder of BTH. We will begin that project shortly. If anyone has ribbon or decorations that would look nice on a wreath you can drop them off at DH.

*Wish you and yours a very  
Merry Christmas and a

**NEWS UPDATES:** We have donations coming in from ministry partners allowing us to move forward with the much needed maintenance and updates on our facility! We would like to thank those of you who have given sizable donations from the area churches and individuals as well as the Holloway Foundation. Several teams are coming to complete these projects. Please continue to pray for each one as they serve at BTH. The slab has been poured for the new maintenance building and the equipment has been ordered for our modern security system. We are also preparing to reprint the BTH Devotional Journal written by Christ Chapman. Phillip & Karen have been approved as volunteers for CWC Flowood! Praise the LORD! We have also been blessed by the addition of three new Board Members: Suzanne McAlilly, Bernadette Grayson and Wanda Magers. **WELCOME!!**
