

WOMEN FINDING **FAITH** AND **FREEDOM**  
Buried Treasures Home, Inc.

August 24, 2017

Dear Friend in Christ:

I hope you were there last Sunday! In the morning worship, we recognized a group of ladies graduating from Buried Treasures Home. What a sweet, exciting time! These ladies have been shown new life in Christ, and helped to start a new way of living on earth. They're not just celebrating freedom from prison, but freedom in Christ! It was so uplifting to witness this true freedom and pure joy!

### **The Reach, The Impact**

Buried Treasures Home reaches much further than just the ladies who come through. It has a multiplying effect – restoring mothers with their children, their parents, with many sweet stories of family reconciliation: One lady's father came to the graduation and to witness her baptism, and they had not seen each other in thirteen years! Another lady's young estranged son accepted Jesus as a result of visiting BTH and the gospel was shared with him in his native language of Spanish. Ladies often come out of BTH sharing their faith and leading people to Jesus much more effectively and frequently than most of us who are life-long Christians. And BTH gives hope and inspiration to other inmates who need change in their lives – it's a powerful, positive influence for other ladies still in prison. It's a God thing – the reach is unlimited.

### **How can you help?**

Here's where it gets exciting and how you can make a difference! A new group of ladies coming out of incarceration will be coming to Buried Treasures Home this fall and will live on the campus for 9 – 12 months.

Buried Treasures Home depends on the generous support of individuals like you. Your contributions allow us to continue meeting the physical, spiritual and emotional needs of these ladies. Your assistance helps us with immediate needs for the new group, such as upkeep of our residential cottages and buildings on campus, as well as food, clothing, transportation of our ladies during their time at Buried Treasures Home.

Then, there are the "dreams" we have for expanding our facilities and programs to accommodate even more ladies who want to learn how to live a different life that is Christ centered. Your partnership with us will allow us to address current needs as well as implement plans and programs for the future.

As a non-profit 501(c)3 Charitable Organization, all donations are tax deductible. Every gift is important to us and greatly appreciated. We encourage you to pray about what God might have in mind for how you can participate in making a difference for the Kingdom today in these ladies lives. (OVER)
