Buried Treasures Home Clark and Valerie Rumpfelt, Directors

October 25, 2018

Dear BTH Friends:

A new discipleship year has begun at Buried Treasures Home and already three new residents have started the journey of walking closer with Jesus. This means leaving addiction and a lifestyle of destruction behind. Over the next few weeks, three more women will move to BTH and begin their journey as well. All six residents come from different and difficult backgrounds. These women did not get here by accident, and God is trusting us to shine His light into their lives. We are glad you are a part of these journeys and shining Jesus' light.

We hope you were able to experience the graduation in August of six residents. If you were there, you saw the tangible answers to your prayers and support of BTH. You are making a difference in many lives, not only the residents, but their children, parents, aunts and uncles and beyond. We thank God for you!

Pray for us:

- Consideration of new residents for the Fall continues. We have two beds available to fill before Thanksgiving. Ask God to send the right women here. Pray that Clark and Valerie will have discerning spiritual wisdom.
- Pray that our graduates will continue to choose to walk with Jesus. **Jeremiah 6:16.**
- Pray for Clark, Valerie, Rosemary and our volunteers as they disciple and lead the residents. As God to help us all remember that He gives us fresh filling every day and the strength to walk in it. **Philippians 4:4-7**

Remember that you are welcome to come out and enjoy good food and fellowship on Monday evenings. Just call the number above or email us and let us know when you can come and how many are coming with you. Your visit encourages us and the residents. Also, remember to make us your Amazon Smile and Kroger named charity. God bless all of you!
