NEWSLETTER

July 5, 2017

Dear Friends,

We pray that your summer is going well! It is at Buried Treasures Home as God continues to show His favor and work among us:

- We now have 10 residents here, which means we are full! Jordan is our latest resident, joining us in May. Having 10 residents means that there are a multitude of challenges and we are so thankful that you pray and support us. Having 10 residents also means that many, many family members are being impacted by what God does here. One of the resident's children said on a visit yesterday: "This is the best day ever!"
- One of our residents, Kayla, was baptized on Mother's Day and the whole church stood in honor of what Jesus has done and continues to do.
- Several churches blessed us: The Wynndale Cottage was dedicated in a very meaningful service at Wynndale Baptist Church; First Baptist Church, Madison, sent a work team in April; First Baptist Jackson sent a work team on "We Love Jackson" day; Pinelake sent a "Shine" team to work on the cottages and playground; Beulah Memorial hosted a youth conference at which the BTH ladies and Valerie spoke; we enjoyed Hillcrest Baptist Church's Memorial Day and July 4 celebrations. In addition to onsite work, other churches

and volunteers have blessed us richly with love and care. We are grateful for all of our church partners!

- We are also thankful for the eye care and dental care provided to our ladies by faithful doctors and dentists who give their time. This is in addition to the great care provided by the professionals at Mission First. Professional hair care was also donated by Hello Beautiful of Rankin County!
- Pray for the residents during this time of change. Five ladies should graduate from BTH in August. Some of those are still in school and some are now working. Ask God to help them find good church homes and Celebrate Recovery groups. Ask God to supply full-time jobs, places to live and vehicles. (over)
- We are about to complete Celebrate Recovery. Introduction to Christianity has been completed and we are now studying *The Purpose Driven Life*. Several discipleship classes are continuing for the summer.
- The annual Dress-A-Child event is scheduled for the Wal Mart in Madison on Saturday, July 29. This is for the children of current inmates. Volunteers and donations are needed to bless these children with school clothes.
- Remember to check out our Facebook page for the latest news. And remember to use Amazon Smile and Kroger to support us by naming BTH as your charity of choice. All you have to do is sign up (links on our website) and it does not cost you anything. Both Amazon and Kroger donate to BTH based on the purchases made by those who sign up. It's a blessing to us. Of course, the enclosed blue envelope is a good way to give as well!

God Bless All of You!
